DAR Members are encouraged to subscribe to and read the awarding-winning publications, American Spirit. Six issues are published each year and include a variety of topics such as genealogy, education and patriotism. Not only do subscribers receive American Spirit, but they also receive the Daughters newsletter that highlights important activities and information regarding DAR from Executive Officers, National Chairs and more!!! If your chapter does not currently donate the \$40, please consider adding this to your yearly chapter budget. If every chapter in Kansas donates \$40 per year, the state of Kansas can fund four full-page advertisements. This is wonderful opportunity to share with the 49 states and countries abroad. Donations should be sent to KSDAR State Treasurer and should be postmarked by **December 1<sup>st</sup>**.

Chapters are eligible to receive a Chapter Achievement Award for raising their total subscriptions!!! It is based on a percentage of the chapter as opposed to total numbers, so even small chapters are able to win. Send a subscription to your dentist office, your favorite salon or local library. Each subscription counts.

Did you know that our chapter can submit an annual article of less than 200 words and a picture for publication to the Daughters Newsletter? Did you know that it is free? It is always fun to read about the contributions of Kansas Chapters, so why not submit an article today?
