

# KSDAR Junior Membership

## What is a Junior?

A Junior is a member between 18 and 35 years of age, until her 36th birthday.

She has the honor of paging at state conference, Continental Congress, and other events until her 41st birthday. She holds full DAR membership. When qualified, she may serve as an officer and chairman at the national, state, and chapter levels.

The goal of the Junior Membership Committee is

- To gain new Junior members
- To build a well-informed Junior Membership
- To encourage active participation in all phases of the society

## Junior Sales

The sale of nationally approved merchandise enable our committee to meet our financial commitment to our schools. Junior products include patriotic jewelry, DAR notecards, notebooks, HODAR pins, garment bags, and many other fine items. These items can be purchased at the State September Meeting, State Conference, and anytime throughout the year by contacting Taylor Crawford. The National website also has the retail order form.

## The Helen Pouch Memorial Fund

The Helen Pouch Memorial Fund was established in honor of Mrs. William Pouch.

The kangaroo was chosen as the symbol of this fund. It provides medical aid, general financial assistance, and scholarships at our DAR schools. Over the years, this fund has provided more than \$2 million to the schools.

Thank you for your continued support of this important fund.

## Junior Shoppe

At State Conference only, the Junior Shoppe sells items donated by members to help raise money for the Juniors at the state level. Michelle Snyder is in charge of the Junior Shoppe. She will be able to help you determine what items will sell well to help the Juniors.

## Outstanding Junior Contest

The Outstanding Junior Contest began in 1963 to recognize Junior members. All candidates have truly promoted the aims and purposes of the National Society, as well as participated in community activities.

The Outstanding Junior application form can be located on the National website under the Junior Membership Committee page. Be sure to read all the instructions and follow them closely. Send your completed application to Grace Gregory by October 31. Chapters are encouraged to honor one of its Juniors as the chapter Outstanding Junior whether or not

# Pages

Members of the National Society between the ages of 18–40 are eligible to page within the state of Kansas. Pages assist the Conference Committees for the smooth operation of State Conference and State September Meeting. They serve as hostesses, errand runners, flag bearers and helping hands to all members in attendance. Additionally, pages provide pageantry to the processions. The value of paging has long been recognized through a greater knowledge of the work done by the Society, promoted lifelong friendships, and, as time has shown, the Pages of today become the leaders of tomorrow.

The criteria for paging include an interest in volunteerism and a commitment to the Society. Pages do their volunteer work by choice and without monetary reward. Service, courtesy, and common sense are essentials of good paging. Pages are noted for their friendliness, enthusiasm, and inexhaustible supply of energy. The duties and responsibilities are many and varied, interesting, rewarding, and FUN! Contact Whitney Watts if you would like to be a Page.
