It is natural for Kansas Daughters to find ways to share their time and talents with their communities.

During the next three years, we can join the challenge to meet the national goal of 10,000,000 volunteer hours.

Lets Rise and Shine!
Rise to the challenge to reach out and get involved.
Shine our light and let others know what an impact DAR can make in our communities.

"We want a society founded on service."

Eugenia Washington, DAR Founder

"Meaningful service" is defined as any volunteer activity that serves God, Home and Country.

Easy as 1-2-3

1. Volunteer
2. Log your hours on the Service to America Online Tally
3. Get the word out – share your activities with your Media Chair, and Facebook
