

## 2021-2022

### National Children of the American Revolution Society President, Jacob Shadinger

Mr. Shadinger has been involved with N.S.C.A.R. for a long time and this year he is determined to “Keeping Everyone On The Move” and support veteran owned organization that hosts adaptive sporting clinics for veterans with physical disabilities. These clinics focus on building self-worth in injured veterans through adapted recreational devices. These adaptations for all kinds of sports, allow the veterans the ability to stay active in games that they love and an outlet for ongoing competitive lifestyle to thousands of American Veterans who have sacrificed for the defense of our country.

Make a change for injured Veterans to be “On-the -Move” and support Oscar Mike Foundation.

### Kansas State President, Annabelle Diebolt

Miss Diebolt is passionate to make a difference in veteran’s daily lives and assist homeless veterans in the Wichita area and her state project supports Passageways. Ltd. This organization started when a veteran died under a bridge and a mother and daughter were moved to organize a place where veteran’s can live short term in a shelter, gain life skills and then live independently in their community. Annabelle is excited to meet virtually or in person many wonderful DAR chapters this year. Please contact her at [diebolt@rainbowtel.net](mailto:diebolt@rainbowtel.net)

Support her project and wear a fabulous RED Shirt: <https://hiawathashirtshack.com>
