The theme for the 2019 - 2022 DAR Schools is "Hooked on DAR Schools!" The school committee now supports five schools. One DAR school, Kate Duncan Smith (KDS) and four DAR approved schools, Berry College, Crossnore School, Hillside School, Inc. and Hindman Settlement School, Inc. These schools were begun in areas where public education was not provided due to the poor economic situations. The mission of these schools is to provide traditional values and educational skills to the students in order to help them reach their full potential in life. With the schools having different focuses they are able to provide special needs programs such as; adult literacy, attention deficit disorder, dyslexia and children in family crisis. These schools are now privately owned and operated by a non-profit corporation needing our support. The School of Sunfish pin is sold for a \$25.00 donation which turns into an investment to our next generation of leaders.

Join me on a fishing expedition and buy a Sunfish Pin! The contact information is at the top of the page. I would love to "reel" you a pin from the DAR store.
