CYBER Sunflower

The CyberSunflower is published on the 1st of each month. Submissions must be received no later than the 25th of the previous month for inclusion. Content inclusion will be based on space and relevance. All chapters, districts and committee chairs are encouraged to submit articles. Photos must be high resolution. When submitting articles, please do not use different fonts, sizes, tabs etc. as that makes it difficult to pull into the publication. Please send all articles in Word. The CyberSunflower is emailed to all Kansas Daughters that have a valid email address.

KSDAR News

The KSDAR News is published twice a year and mailed to all Kansas Daughters per KSDAR Bylaws. This publication is printed in one color and mostly contains information on State meetings and state business. Same as with the CyberSunflower, all articles must be sent in word and photos should be high resolution. Submission dates will be published in the CyberSunflower.
