A Message from the State Regent

Dear Kansas Daughters,

This month, many of your chapters will be hosting your final meeting before the summer and perhaps installing a new slate of officers. My sincere appreciation to all our chapter regents who led your chapter through historic and challenging times. Despite, or perhaps motivated the pandemic, our chapters accomplished amazing work this past year. If you are an incoming chapter regent or officer, let me say welcome and thank you for taking on this role. Please know that you have resources and support available to you at any time from your State Officers, District Directors, and State Committee Chairs.

Just a few weeks ago we held our first hybrid State Conference. Through a mix of YouTube videos, Zoom, and a limited in-person business meeting, we accomplished important business, heard reports from committee chairs, celebrated the success of our members and chapters, and were treated to interesting presentations. You can return to re-watch much of the conference content on our members' website under the State Meetings tab. Kudos to an amazing team of Kansas Daughters who helped prepare for and conduct this event.

Thanks to your generous support of the State Regent's Project, we were able to award four Welcome Home Grants this year. Information about the grant recipients are provided in this issue of the *CyberSunflower*.

Next we turn our attention to a virtual Continental Congress. Be sure to read the President General's messages and review the National members' website for opportunities to participate.

Wishing you wellness and health,

Welcome Home!

Susan Metzger
KSDAR State Regent

The 2021 Hybrid State Conference is in the books! Many sessions were recorded and shared through the KSDAR YouTube Channel while some were held utilizing Zoom, and the Business Meeting was in person, on Zoom as well as YouTube. Bylaws approving the use of electronic meetings during emergency situations were approved which will be a great benefit to the Kansas Society. All other bylaws presented were approved. The KSDAR Bylaws Committee, Chair Laura Kaiser, along with State Parliamentarian Lyn Patterson spent many hours working with National Parliamentarian to craft the new Bylaws and amendments. The Kansas Society is fortunate to have such dedicated individuals to perform these important roles. Videos of events during State Conference can be found on the KSDAR Members website.

State Regent's Project Welcome Home Grants

At the 2021 State Conference, Welcome Home Grants were presented to Kansas organizations that reflects the "Welcome Home" theme by providing support to active-duty military and veterans. With the generous support that Kansas Daughters provided through the sales of State Regent's Project merchandise, personal and chapter donations, and purchase of apparel through the Squadlocker store, the program was able to award four Welcome Home Grants this year. Special thanks to Kathryn West and Lisa Gray for serving as co-chairs for this project.

Passageways, Ltd. - co-sponsored by the Eunice Sterling Chapter, Gerry Winters, Regent; and Randolph Loving Chapter, Vicki Churchman, Regent. The mission of Passageways, is a faith-centered program providing supportive services to veterans and their families to prevent and/or eliminate homeless conditions. Everything is provided free of charge to the veteran including household products (sheets, towels, microwaves, coffee maker, utensils, dishes) cleaning supplies, hygiene items, underwear, pillows and coffee. Funds in the amount of \$1,236.10 will be used to support the on-going operations such as the purchase of these supplies.

Robert J Dole VA Medical Center HUD-VASH Program - sponsored by the Flores del Sol Chapter, Cynthia Sprenkle, Regent. The collaborative program between HUD and VA combines HUD housing vouchers with VA supportive services to help veterans who are homeless and their families find and sustain permanent housing. Last year this program supported 326 veterans. While the cooperative affords housing, it does not provide small household items. Funds in the amount of \$1,263.90 will be used to purchase 15 linen sets which consist of a bed in a bag set (comforter, sheets, pillow cases, shams and bed skirt), pillow, bath and kitchen towels, and other small necessities.

Friends in Service of Heroes (FISH) - sponsored by the Tomahawk Chapter, Barbara Butler, Regent. FISH was founded in 2013 to make a positive impact and improve the quality of life for troops, veterans and their families. Since inception, FISH has provided 34 specially trained service dogs, eight specially designed all terrain wheelchairs for double amputees, 32 power mobility scooters, 12 automobiles repaired or replaced, and 34 heroes dinners. The Welcome Home Grant will provide a service dog to a veteran suffering from Post-Traumatic Stress (PTS). The benefits of having a service dog are vast and veterans receiving a service dog from FISH undergo an application process and training with the dog. The FISH organization will contribute \$5,500 in addition to the KSDAR \$2,500 for a total of \$8,000.

Warriors' Ascent - sponsored by the Sagamore Chapter, Janet Alley, Regent. Warriors' Ascent was established in 2014 and their mission is to provide evidence-based healing techniques to veterans and first responders with post-traumatic stress to support healing through management of mind, body and soul. More than 400 veterans have been served since inception with a rigorous five-day curriculum that teaches healing skills, inculcates essential lifestyle habits and builds a sense of community and belonging within the participants. The participants receive a workbook from the training. The Welcome Home Grant in the amount of \$2,500 will allow Warriors' Ascent to streamline, update and where necessary, create new content for the workbook by a professional content editor. Presently the workbook does not flow with the training curriculum.

Thanks again to each of our Kansas Daughters who helped support the State Regent's Project. Your generous contributions helped make these four grants possible. Because of you, we are able to Welcome Home our Nation's servicemembers and veterans.

Kansas State Reptile Project

Amy Goodwin

As the weather warms, keep an eye out for Kansas' state reptile, the ornate box turtle. The turtle is found in grassy areas for feeding and requires a water source as well as areas of soil in which to burrow for temperature regulation and egg laying. The ornate box turtle is found in Indiana, Illinois, Missouri, Arkansas, Louisiana, Nebraska, Kansas, and Texas.

Like most reptiles, the turtle is an omnivore, eating grasses, berries, insects, and carrion. Its opportunistic food consumption means it does not usually struggle to find food, but it is at risk of predators, including many different birds, domesticated cats and dogs, opossums, raccoons, skunks, snakes, and older turtles.

The ornate box turtle's life span is 32 to 37 years, provided it makes it to adulthood. The late reproductive age, low reproductive rate, and high young mortality contribute to a limited population. The turtles also face pressure from expanded farming and land development that take away from its habitat. Carrion as a food source often finds the turtles near roads and at risk of death.

Their conservation status is listed as Near Threatened; the species is identified as being at high risk of extinction in the near future but does not qualify for one of the more severe Threatened statuses of Vulnerable, Endangered, or Critically Endangered.

As part of the KSDAR 125th Anniversary, the Kansas Daughters are being asked to watch for the Ornate Box Turtle. We will be coordinating with the Kansas Zoos to photograph, note the location where the turtle was found and to report this information – stay tuned for further directions. One serious note, please do not paint or mark on the turtles' shells as this can be detrimental to their health as the paint can hinder their ability to absorb vitamins they need from the sun, cause respiratory problems, allow toxic chemicals into the bloodstream and more.

Please join State Regent Susan Metzger and the KSDAR State Officers as we celebrate the 250th Anniversary of the United States of America in dedicating Kansas' first DAR America 250 Our Patriots marker. With Special Thanks to Brad Cool and the Freedom Memorial Board.

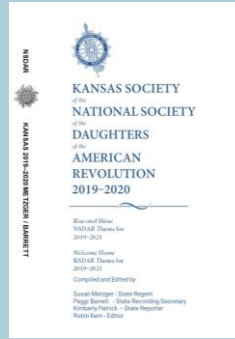

The marker will be placed on the base of the Miss Liberty statue at the Butler County Freedom Memorial.

Order Your AR&P

Peggi Barrett, KSDAR Recording Secretary

With the addition of an archives tab to our KSDAR Members' website, we can provide access to digital copies (PDF) of each Annual Report and Proceedings (AR&P) book. Some members have inquired about the need for printed versions of the report. Your State Recording Secretary would like to hear from you. In the next few weeks, those members who typically receive a printed copy of the AR&P (ie - State Officers, State Committee Chairs, District Directors, Honorary State Regents, etc. (see KSDAR Bylaws Standing Rule 1) will receive an email and link to a quick survey to indicate your preference for a printed copy or electronic copy. Your feedback to the survey will ensure we print only the necessary copies this year and will help us gauge the interest in printed versus electronic copies for future years.

Honor your Chapter Founding Regents

Amy Goodwin

Consider honoring your Chapter's founding Regent as part of celebrating KSDAR's 125th Anniversary. If the Founding regent is no longer living, including her in your chapter's memorial service is a nice way to acknowledge her contribution to DAR.

Your chapter may consider visiting your founding Regent's grave, taking the opportunity to leave flowers, do some cleaning, or adding the DAR insignia with permission from her family. Insignia can be purchased from Classic Bronze Resources, LLC. The company has many options regarding size and use.

Kansas C.A.R. New State President, Annabelle Diebolt State Project – Passageways, LTD

I am Annabelle Diebolt the 2021-2022 State President of the Children of the American Revolution. Before I introduce my project, I would like to give a special thanks to KSDAR Regent Susan Metzger and my Senior State President Janis Miller for their support. I would also like to extend a thank you to all of those working to aid our veterans through the DAR, C.A.R., SAR, or through their own personal ventures.

Through this Presidency, I have been given the opportunity to make a difference. Our history proves inspiration, dedication, and determination can change lives. My goal is to help Passageways, LTD, which is a home for homeless veterans in Wichita. It was founded in 2014, by a mother-daughter team. One morning the founders heard the story of a homeless veteran dying from exposure under a bridge in Wichita...utterly alone. The thought of this hero fighting for us and then coming home to no one fighting for him ignited a fire for change in them. Within the next few days, they quit their jobs and founded Passageways to fight on behalf of these veterans.

However, Passageways' work doesn't end when the heroes graduate the program. They continue to fight for them and are trying to broaden the number of people they can impact by purchasing a home for female veterans. For many female veterans, the trauma they have experienced especially post-service makes it very difficult for them to trust. Passageways understands this and is working to establish a home specifically for them. Passageways does not just take in these heroes, they also fight for them each and every day. When I visited Passageways, I heard a story of a female veteran who had called Passageways after being kicked out of her shelter for having a dog...a REGISTERED SERVICE DOG. Even though Passageways doesn't have a home for females...yet...they worked to find a safe place for this veteran and her dog to stay. But their efforts didn't even end there...they have contacted Washington over this issue and are working to ensure this doesn't happen again to any veteran in any state. The people at Passageways quite literally will not rest until these heroes get the aid they need and they deserve. This organization is based in Kansas but their passion for change and devotion to these heroes goes beyond the boundaries of our Sunflower State.

This project hits close to home for me because many in my family served, some in multiple wars, and my sister is a veteran of the US Air Force. They have all fought for us, it's time we start fighting for them on the home front! The first step is by supporting Passageways and other related organizations. We can make a difference for them!

To raise money for this organization, t-shirts orders will be taken throughout the year. In addition, an auction or raffle at the 2021 State D.A.R. Fall Convention will be held. (I will be selling a handmade quilt made by a veteran, handmade potholders, handmade purses, artwork, gift cards, handmade cedar trunk by a current serviceman, books, and more! If you would prefer to give a monetary donation, please make checks out to KSCAR and mail them to: Gayla Hoyt, 5815 SW 25th Street, Topeka, KS 66614-1894. Feel free to contact me directly at 913-370-2065 or email me at: diebolt@rainbowtel.net. I would be eternally grateful for your support with this project! Please let me know if you would like me to make a personal appearance at your chapter. Thank you, in advance, for your time and generosity!

How Will Your Chapter Grow....a story about irises!

Denise Bullock, KSDAR Organizing Secretary

A few years ago, a friend called and excitedly offered to share some vintage iris bulbs that had been thinned from century-old beds at the historic Lanesfield School in Edgerton, KS, site of a Santa Fe Trail DAR marker. Having always loved the colorful flowers that bloomed from the strangely shaped, sturdy bulbs, I accepted the offer. With only my love of the species and no experience in growing them, so began my iris garden journey with 10-20 bulbs placed sparsely in the front bed at my home. What color would my flowers be? Would they survive in a new environment? Did I tend the soil well enough to support them? Would they bloom where they were planted?

The story of my irises can be a metaphor for tending to your chapter's growth:

Share: Invite any and every woman you know/meet to participate by enthusiastically sharing what excites you about being a Daughter. Have your story ready.

Prepare: Provide a welcoming environment where they can root and grow. Share the resources available....mentors, courses, websites, service projects, newsletters and, most importantly, people.

Plant: Help identify and guide them toward a service area that they are passionate about.

Bloom: Appreciate and acknowledge the unique talents, new ideas and successes of every member. This is the sunshine they need to grow!

Now for the rest of the story. Those 10-20 iris bulbs that sparsely covered my front flower bed have multiplied into a field of irises with unique, varied qualities. Together, these qualities are appreciated and anticipated as a beautiful **WELCOME HOME** each spring.

*Merry, merry, never contrary,
that's how your chapter will grow!*

Making the American Home...

Joy Hayden, DAR Museum Chair

Attention Chapter Regents and DAR Museum Chapter Chairs! The DAR Museum staff have been busy refreshing many of the programs available to your chapters through Correspondent Docents in your area. If you are interested in having a program for your chapter such as the newly published "Making the American Home" which tells the stories of the DAR Museum Period Rooms, please check out the website or contact your State Chair, Joy Hayden, for more information!

Courtney-Spalding 95th Anniversary Celebration

Beverly Unruh

On April 26, 2021, the Courtney-Spalding Chapter celebrated their 95th anniversary with a poignant ceremony dedicating a "Never Forget" garden at the Kansas Veterans' Cemetery in WaKeeney, KS. This garden honors the service members who have served and sacrificed for our nation. In the garden are plants conducive to growing in the western Kansas environment (lilacs, maiden grass, double knockout roses and Rose of Sharon). To commemorate the 100th Anniversary of the Tomb of the Unknown Soldiers, a plaque was also placed in the Never Forget garden.

Courtney-Spalding was fortunate to receive grants and private donations which helped make this garden possible. We are grateful to Heidi Groff, Cemetery Manager, for showing us a wonderful spot to place the garden along with other valuable advice and the Kansas Veterans Cemetery lawn maintenance personnel for the placement, planting and upkeep for our "Never Forget" garden.

We were grateful to Hays VFW Post 9076 Honor Guard to present and retire the flag, give a 21-gun salute, and play TAPS. During the ceremony, as part of the 50th Vietnam Veterans commemoration, Retired U.S. Army Major Kathryn Walker West, NSDAR Corresponding Secretary General and KSDAR Honorary State Regent, along with NW District Director, Sherrie Smith, pinned 12 Vietnam Veterans and one surviving spouse. Besides Mrs. West, we were honored to have in attendance NSDAR dignitaries Mary Bannister Frisch, Honorary Vice President General and Honorary State Regent, and Margaret Bates, National Vice Chair VIS. We were also honored to have KSDAR officers Rebecca Kline, Vice Regent; Peggi Barrett, Recording Secretary and Denise Bullock, Organizing Secretary in attendance.

To all who pause in this place, may it remind them of the nobility of life well lived and quicken their response of acknowledgement of the ever-continuing call to unselfish service.

SMART Help for Supplementals

Leslie Harris

If you have considered applying for approval of a Supplemental Patriot Ancestor, do you know what steps to take? First, you work with the Lineage Research Team to develop your supplemental application, whether using a known or new Patriot Ancestor, or known or New Child of a verified Patriot Ancestor. We help you use the Build-An-App function on the NSDAR website or find resources that support your proposed lineage. After working with your chapter team, the State Mid-Level Review Team (SMART) provides a check on your research and reviews applications for editing.

SMART is a recent initiative developed out of the office of the Registrar General and has the goal of eliminating, or at least reducing, AIR letters back from the national genealogists as they review supplemental applications. The KSDAR SMART Team served as the prototype for other states and NSDAR and proved that utilizing this approach greatly reduced the work of the DAR genies. There is a lengthy queue of applications and supplementals, so reducing errors helps speed the process for you, your chapter, and NSDAR. I hope you will consider adding any number of additional Patriots to your lineage. I, along with the lineage research team, are here to help!

Protocol 101

Mary Frisch

Social media can be a fun way to keep in touch with friends, share good news and celebrate success. On the other hand, social media is sometimes used to vent, complain and share bad/sad news. Please be courteous about "chain of command" and protocol when using social media. If you have chapter news, please let your chapter regent know about it before posting on social media. And, posting an announcement about a celebration or dedication online does not take the place of a formal invitation to your state officers and honorary state regents. Always be sensitive, kind and positive when posting on social media.

Attention Chapters, Committees and Clubs

In honor of the 125th anniversary of KSDAR, the 125th committee is preparing an addendum book to the society's history. Updates are needed for the book from chapters, committees and clubs that covers the years of 2010 through 2021. This updates are needed by May 15, 2021 and should be sent to Melanie Horton at mhorton@ksu.edu. Your input is necessary to make this project a success.

Marty Wellington

It's once again time to start planning for our KSDAR supply drive to benefit the students at Haskell Indian Nations University in Lawrence. I am so excited to plan for our in-person state meeting once again this fall. And, to that end, I hope all Kansas daughters and chapters will join us in continuing our long-time support of Haskell students.

Supplies will be collected at the KSDAR September 10-11, 2021 in Junction City.

Below is an updated list of items needed by Haskell students. Please keep your eyes out for specials and sales over the next few months to help with purchasing supplies. And watch for more announcements on this project prior to the September meeting.

You Can Own a Piece of Kansas History with Miss Hazel

This is Miss Hazel, the KSDAR 1996 Centennial Doll. Her life has been full of adventure and she is here to join with Kansas Daughters for the KSDAR 125th Anniversary celebration.

The antique, china-headed doll was gifted to Hazel Fields Myers, a Kansas Daughter who served on the KSDAR Executive Committee and is an honorary regent of the Sagamore Chapter, by her Aunt Hazel. In 1996 Hazel Myers presented her doll to the KSDAR Junior Membership Committee to raise monies for the Helen Pouch Memorial Fund.

To learn more about Miss Hazel's history, tune in to the KSDAR Virtual State Conference. To take Miss Hazel on her next adventure, purchase your voices on the KSDAR virtual voices link. All proceeds will go to the KSDAR Markers and Archive Fund. Some lucky Kansas Daughter and Miss Hazel will venture down the trail to her new home in September!! To buy voices go to <https://ksdar-voices.square.site>

Use Your Voices to Support KSDAR!

Though we won't be meeting again until the State September Meeting, you still have the opportunity to buy voices for some great items while supporting KSDAR. Voices are chances to win an item. Two items were drawn at the State Conference, but the rest will be drawn at the State September Meeting. Voices are \$5 for one or \$10 for three. You can buy voices online at: <https://ksdar-voices.square.site/>
