A Message from the State Regent

Dear Kansas Daughters,

The month of September was full of wonderful KSDAR events that filled my heart and fueled my batteries!

More than 200 Kansas Daughters attended the State September Meeting in Junction City. We were honored to welcome the President General to this event. The many graduates of the Members, New Horizons, and Genealogical Education Program (GEP) III courses received their certificates and cords from Mrs. VanBuren. Nearly 50 chapters were recognized as meeting the 100% contribution to the President General's Project. If your chapter has not yet met this goal, please include this final amount in your chapter dues and remittance this fall. On the morning of September 11th, Gen. (ret.) Richard Myers shared his personal reflections on his experience as the Chairman of the Joint Chiefs of Staff on the morning of and days following 9/11. The day also included a moving Memorial service and wreath-laying at the Law Enforcement Memorial in Heritage Park in Junction City. This represents only a few highlights from a great weekend.

Later in September, I had the privilege of attending the DAR Medal of Honor ceremony, hosted by the Smoky Hill Chapter. This most prestigious honor awarded by the DAR was presented to Mildren Janzen for her extraordinary qualities of leadership, trustworthiness, service and patriotism. Learn more about Mrs. Janzen and the ceremony in this issue of the *CyberSunflower*.

I look forward to the months ahead and appreciate all you do to share your talents and meaningful service with your communities.

Welcome Home!

NSDAR Day of Prayer

Retha Blecha

October 10, 2021, is the NSDAR Day of Prayer. Take a moment to remember the blessings that we have, and to pray for the continued support of our beloved society.

Always, Heavenly Father, we as Daughters praise You for the wondrous gifts You have given us. As we observe the anniversary of the founding of the National Society Daughters of the American Revolution we offer special thanks for the efforts of Eugenia Washington, Mary Desha, Ellen Hardin Walworth and Mary S. Lockwood, whose foresight and whose determination brought to fruition the National Society Daughters of the American Revolution. For all those who have served as leaders and the many who have been such faithful stalwarts for God, Home and Country we are grateful. We ask Your continued favor as we work to promote historic preservation, education and patriotism. Help us to grow in service to our country and to our fellow man. May the work done by the Daughters continue to be a tribute to the wondrous gift of Your love.

In the name of our Father, we pray. *Amen*

Look for the blessing instead of the curse.
Be positive, stay strong and get enough rest.
You can't do it all, but you can do your best.**

KSDAR Friendship Fund

Janet Lake

Do you have a member who is struggling to pay dues this year? KSDAR has a Friendship Fund that has existed for several years, but we recently adopted the guidelines in Standing Rule Number 34. We only award two per year and only one per chapter. No member may use the fund more than once. If your chapter has funds for this purpose, they should be used first.

An application form has been developed and is on the SIP tab under the Treasurer. The application may be sent via email from the chapter Regent to treasurer@kansasdard.org and should be submitted no later than November 1. If approved, a check will be sent to the chapter for the amount of national dues – chapter dues are not included.

Destination...DAR!

Melissa Stuchlik, State Membership Chair

With only a few months left in 2021, don't forget to look over your chapter's PMD aka Prospective Member Database. The PMD is one great communication tool where a prospective member (PM) of your chapter starts the journey. It is the first step to track how each PM is moving along.

- How long has it been since your PMs show an update?
- Have the regent, registrar and membership chair made a plan?
- What can you do to bring these women into the life of your chapter?
- If email didn't work, have you tried a phone call, handwritten note or personal visit?

NOW is the time to contact and update each of the ladies on your PMD and get them on the fast track to DAR membership. There is still time to get applications started and completed before the end of the year. PMD questions? Call your PMD Travel Agent, State Membership Chair Melissa Stuchlik at 785-366-0790.

Complete the PMD journey and WELCOME HOME a new member!

State September Meeting Lost and Found

Though the State September Meeting was a great success in many ways, for one Daughter they may be missing a pin from their ribbon. If you are the "loser" of this valuable pin, please email the KSDAR State Reporter at Kimapatrik@aol.com and identify your lost pin, and it will be returned to you. If not claimed, it will make a nice addition to my ribbon!!!

Mission Hills Celebrates Honorary State Regent *Gale Hansen*

On September 25th, the Mission Hill Chapter marked the 125th Anniversary of the KSDAR with a memorial service at the gravesite of KSDAR Honorary State Regent Sally Schmidt Riden. Introductions should be brief. Give enough information about the speaker to make the audience wish to listen. A person who is known to the audience is presented, but a stranger is introduced. The program chair may introduce the speaker and may say at the end of the program: "Madam Regent, this concludes the program," however, it is the presiding officer who thanks the speaker by giving a few gracious words of appreciation on behalf of the organization. A presiding officer never applauds.

Guests are introduced in descending order of rank. Thus, the highest-ranking guest on the right is introduced first, followed by the highest on the left and so on, alternating right and left.

It is not necessary to introduce every guest as an individual. You may introduce some of the guests as a group, for example, by saying: "Will all of the State Chairs present please stand to be recognized."

You Don't Know What You Don't Know!

Denise Bullock

Do you know the DAR Medal of Honor is the most prestigious honor awarded by the DAR? Neither did Smoky Hill Chapter Americanism Chair, Glennice Musselwhite, UNTIL she took the DAR Leadership Training Members Course.

Glennice learned that the DAR Medal of Honor is given to an adult man or woman who is a United States citizen by birth and has shown extraordinary qualities of leadership, trustworthiness, service and patriotism. The recipient must have made unusual and lasting contributions to our American Heritage by truly giving of himself or herself to his or her community, state, country, and fellow man.

Armed with this knowledge and inspired by someone in her community she felt was more-than-qualified to be a recipient, Glennice went to work preparing documents, gathering recommendations and setting the wheels in motion to submit a candidate. On Sunday, September 26, the DAR Medal of Honor was presented to Mildred Schindler Janzen during a heartwarming, patriotic ceremony hosted by the Smoky Hill Chapter in Ellsworth. Regent Jean Plett welcomed a crowd that filled the festively-decorated Junior/Senior High School Commons and included the Mayor of Ellsworth, city officials, DAR/SAR members, family, members of the community and the Smoky Hill PBS cable network. State Regent Susan Metzger was interviewed by the network.

Mildred Schindler Janzen, 92 years young, tells her WWII survival story in a gripping memoir "Surviving Hitler, Evading Stalin: One Woman's Remarkable Escape from Nazi Germany," co-written with Sherye Simmons Green, an award-winning author. The "rest of the story" is told by example in the way Mildred has lived her life after the war...promoting education, exhibiting patriotism, claiming civic responsibility and being a role model for acts of kindness. She said tearfully numerous times in her acceptance remarks, "I love this country." Mildred's book can be found at www.sunburypress.com or www.amazon.com.

What might YOU learn by completing one of the DAR Leadership Training or Genealogy Education Courses that would enrich your DAR experience? Is there someone in your community that deserves recognition for their service? Are you looking for a project that will make an impact? Would you like to know more about genealogy?

Reach out to your state chairs (found on the KSDAR website) and find or renew your passion through the DAR Leadership Training and/or Genealogy Education courses!! (Jeri Kling, Members Course; Pamela Kelley, New Horizons Course; and Bunnie Bowen, Volunteer Genealogists)

Faith is Like Being a Pumpkin

God picks you from the patch and brings you in.
(John 15:16)

Then washes all the dirt off of you.
(2 Corinthians 5:17)

He opens you up and scoops out all the yucky stuff. He removes the seeds of doubt, hate, greed, etc.
(Romans 6:6)

Then He carves you a new smiling face.
(Psalm 71:23)

And He puts His light inside you to shine for all the world to see.

New Children's Book for American History

Susan Newman

Twenty One Steps: Guarding the Tomb of the Unknown Soldier by Jeff Gottesfeld

A nonfiction children's book with a powerful message written on the 100th anniversary of the tomb's creation. This is a picture book for readers to learn about America's fallen unknown soldiers. It is on the reading list for the DAR American History Essay Contest this year. It would make a nice addition for school or local libraries.

DAR Honors Vietnam Veterans

Sue Etelamaki

Eleven members from four DAR chapters hosted a table and honored Vietnam Veterans and their families at the "Wall That Heals" in Marysville Aug. 26–29. Arthur Barrett, Council Oak, Desire Toby Sears, and Polly Ogden chapters participated and are Commemorative Partners with the United States of America Vietnam War Commemoration.

The veterans who came to the table were met with a hardy hello and were asked if they had received the special lapel pin given to Vietnam veterans and veterans who served between November of 1955 and May of 1975. The veteran was then presented with the special lapel pin. As the pin was being placed the other member rang a bell and announced to anyone nearby who the pin was being given to, that they served in Vietnam and then a prayer for the veteran and their families was said. In some cases, the spouse of a Veteran who was killed came to the table and was presented with a Surviving Spouse Pin and were thanked for their sacrifice. One hundred three pins were presented during the four-day event.

Phebe Barrett VanVliet Woman in History

Cheryl Reves

Phebe Barrett VanVliet is now listed as a Woman in History by DAR for her DAR service as well as her many community contributions.

Phebe hosted a luncheon for 20 friends and relatives eligible for DAR Membership on July 26, 1928, at the VanVliet home in Barrett, KS. The Chapter was Chartered and named for Arthur Barrett, Great-Grandfather of Mrs. VanVliet, who served as a private in the Second Battalion of Chester Co, PA, Militia, and the ancestor of several charter members. Mrs. VanVliet, the originating Regent, secured Barrett land for a park and was instrumental in helping the Arthur Barrett Chapter erect a monument there signifying the intersecting of the Pikes Peak/Oregon Trail.

Ms. Barrett was born September 13, 1858, near Barrett, KS settled by her father and thought to be the first considerable settlement in that part of the country. She shortly moved to a three-room home at Barrett that her father built from lumber milled from his own sawmill, the only sawmill existing west of the Mississippi. Her parents named her Phoebe, but a census taker misspelled her name and she continued to be Phebe from that time on. After the election of her father Albert Barrett to become the first County Treasurer in Marshall County, Ms. Barrett, age 20 served as Clerk in the office during his two terms. This is where Ms. Barrett met George VanVliet, and they were later married in 1884.

Always being interested in politics, in 1920 with the assistance of Mrs. VanVliet's cousin's husband, she became a delegate to the Democratic Convention in San Francisco. Accompanied by her four-year-old grandson George Walter, they boarded the Union Pacific Train and headed for California.

Mrs. VanVliet was a well-rounded woman following in her parent's footsteps of being civic and education minded. She and husband Mr. VanVliet continued to serve as the social center for all the countryside in that part of the county hosting large parties and gatherings in her original home at Barrett that had been remodeled and moved further up the hill, where she cared for her aging parents.

Oceanus Hopkins - Little Balkan's Day

Mary Gilpin

The Oceanus Hopkins Chapter had a Membership Table at the Little Balkan's Day Festival on September 4 in Pittsburg, KS. Most residents of SE Kansas area came from the Balkan's region of Europe; therefore SE Kansas became the Balkan's of Kansas. The Little Balkan's Festival, which began in 1985, helped to restore the image of the region. This project included DAR T-shirts and bags to hold materials pertaining to membership and other information detailing DAR. Chapter Registrar Donita Dupslaff was on hand to answer questions!

Our table saw much traffic! Many questions were asked! Much information was handed out and shared with prospective new members! It was a nice surprise to us that many people shared with us that they had worked on their genealogy during COVID. What an exciting activity!!

Alice Bachand

Chapters are always looking for creative ways to support the Literacy Committee. This project was presented at the 2021 Chapter Regent's Club meeting and shared here for chapters to consider.

- **What is a Book Walk?** A Book Walk is a way to combine physical activity with literacy; this may seem like an odd mix, but it's an innovative way to get people of all ages out walking while reading children's picture books. Pages of a book are placed onto signs that are then displayed in parks, in front of libraries, or even displayed on downtown windows inviting people to follow the path of pages.
- **What do you need?** Decide your audience. Get two copies of the paperback book since you can't photocopy the pages due to copyright law.
- **What's next?** Cut apart the book so the pages are a double page layout including the title page and copyright page. Tape the pages together and laminate them. Make a beginning sign such as Welcome to the (...) Chapter Book Walk.

- **Book Walk Book Suggestions:** (These are all available in paperback.)

National DAR Day of Service

On October 11 every year, DAR members celebrate the founding of DAR by participating in the National DAR Day of Service. This annual tradition brings together members' commitment to perform community service in honor of the organization's commitment to service to America.

All members and chapters are encouraged to take part in the National DAR Day of Service by engaging in meaningful community service activities that support DAR's mission of historic preservation, education, and patriotism. From large to small projects, they all are meaningful.

Be sure to take lots of photographs and post to social media about your service project(s) and use the hashtag #DARDayOfService. Service project details can be posted on your personal, chapter and state society social media accounts as well as on the Service to America Facebook group. Also log your hours into the Online Tally on the DAR Members website so that they can be counted!

Social Media Safety

Most adults have at least one social media account whether it is Facebook, Twitter, Instagram or TikToc. Though most of the post may seem innocuous, be wary of falling into traps of social media phishing. Phishing is done by people with the aim of committing financial or identity fraud or both. With over 1.3 billion people logging on to their favorite social media accounts every month, and the trust that many have in the wider community of users, social media phishing represents a rich source of income for fraudsters.

Here are a few tips to consider when interacting on social media:

- Do not click on links in posts, tweets or direct messages unless you are 100% certain that they are genuine.
- Ask yourself if somebody genuine would really contact you in this way with this information.
- Even if the post or tweet seems to come from someone you trust, their account may have been hacked or spoofed.
- Facebook posts asking about your first car, name of your first pet, the street you lived on as a kid etc. are mining information that you use for security questions – don't play these.

Social media can be a great way to keep up with friends and family, but make sure you are keeping your information safe and not falling for the scams that have become prevalent on social media.
