## *A Message from the State Regent*

Dear Kansas Daughters,

What a wonderful summer this has been! I have so enjoyed seeing photos of chapters honoring their founding regents and past State Regents, rededicating Santa Fe Trail makers, supporting Honor Flights, and honoring veterans with Quilts of Valor. These are just a few of the amazing ways our Kansas Daughters spread sunshine in their communities this past month.

My favorite memories from this summer are from the weekend-long service event KSDAR held at the Nicodemus National Historic Site. Painting, organizing, trash pick-up and so much more. Kansas Daughters lived out the words of DAR Founder Mary Desha, "I am good for any amount of work."

I am so looking forward to spending time with many Kansas Daughters and our special guest, President General VanBuren, at our upcoming State September Meeting. Thanks to our amazing State Meetings Team, State Officers, and State Committee Chairs, we have a great weekend of learning, impactful speakers, and fun planned. If you are registered for this event, please be watching your email inbox for any additional information about the schedule and COVID safety protocols.

Welcome Home!

In celebration of KSDAR's 125<sup>th</sup> anniversary and in honor of the dynamic women who have served as KSDAR State Regent, we will be playing **State Regent Rummy** at the 2021 State September meeting.

At Registration you will receive a small white envelope that contains the *Rules of the Game* and a "hand" of five cards. Each card features a photo, the ordinal number of their regency and a bit of information about a KSDAR State Regent. Please take a moment to read about these dynamic women, past and present, who shaped KSDAR. On the backside of the *Rules* card is a chronological listing of Disbanded/Merged KSDAR Chapters.

## Prairie Flint Hills Chapter Honors Pat Carpenter, KSDAR 36<sup>th</sup> State Regent

Linda Wiley

As KSDAR celebrates its 125<sup>th</sup> Anniversary this year, it is with honor and affection that the Prairie Flint Hills Chapter DAR recognizes the dedication and contributions of our chapter member, Patricia Eddy Carpenter as the 36<sup>th</sup> State Regent serving from 2001-2004. In addition, Pat has served as State Corresponding Secretary, State Treasurer, State Vice Regent and KSDAR Honorary State Regent. She served as Chapter Regent twice (1991-1992 and 2004-2006) and as Vice President General from 2004-2007 and Registrar General from 2007-2010. Currently, Pat serves as our chapter Registrar.

During Pat's administration as State Regent, the State Society celebrated the 75<sup>th</sup> Anniversary of the Madonna of the Trail, and rededicated the Lewis and Clark marker in Atchison and the Kansas Chapel, located in NSDAR headquarters in Washington, D. C. Her State Regent's Project was the endowment of a scholarship for the State's Good Citizen winner with over \$5,000 being donated to this project.

Pat also initiated web hosting for the KSDAR website and established an endowment for the maintenance of the Madonna of the Trail. Her expertise in genealogy was utilized in twenty workshops to promote membership and twenty-nine-member road shows. Pat established one-day fall workshops which replaced the traditional fall tour the last two years of her administration.

It should also be noted that Pat was the Organizing Regent of the Prairie Flint Hills Chapter confirmed by the National Board of Management on June 12, 1991. It is through her vision and leadership that our chapter became a reality. We owe our Organizing Regent, and the other organizing members, a debt of gratitude for their work. Overall, the contributions that Patricia Eddy Carpenter has made to our chapter, KSDAR and NSDAR are exceptional and her impact on our organization is unparalleled. Thank you, Pat, for your stellar administration as the 36<sup>th</sup> State Regent of the Kansas Society of the Daughters of the American Revolution.

## Passport to Patriotism

*Jeana Walters-Fancella*

After last years' Service for Veterans No Sew Blanket Challenge, this committee chair has received numerous emails and phone calls asking about what the next project will be. I am so glad to hear everyone enjoyed coming together during a very trying year and showing our Veterans they were not forgotten. Kansas daughters should be very proud of their commitment to patriotism.

You asked for it... You got it! Your next mission, should you choose to accept it, is to complete a **PASSPORT TO PATRIOTISM**. This challenge is for each daughter, individually or with your chapter. The Passport contains 15 activities to show your Service for Veterans commitment for this next year. Participation is from Oct. 1, 2021 - Apr. 1, 2022. Each activity completed must be stamped by either your Chapter Service for Veterans Chair or Chapter Regent when completed.

There will be a drawing for a Chapter Prize and an Individual Prize at Spring Conference. Passports considered for prizes must be sent to the KSDAR Service for Veterans Chair no later than Apr. 15, 2022. The Chapter with the most members completing at least 10 activities will receive the Chapter Award (percentage based on membership). A minimum of 5 activities is required for an Individual prize drawing.

Passports will be available for pickup at the Registration desk at the SSM. Also, a printable passport will be emailed to all Chapter Regents and Service for Veterans Chairs in September.

I hope everyone will enjoy coming together to Rise and Shine for our Veterans.

## Project Patriot Collections at State September Meeting

*Jan Goss*

At the State September Meeting we will be collecting all of your Chapter's donations for Project Patriot. Mark Claussen our USO contact will transfer them for you to Fort Riley saving us the need of signing in at the gate! Below you will find a letter from Mark describing their needs. Please help us make this the biggest donation yet!!

On another note, we will be making paracord bracelets as an activity. This is a great way to get your feet wet if you have not made these for our troops yet. You will leave with the instructions, experience, and ordering information so that you can take this home and make these with your chapter as an activity that will count toward your CMR. If you have made these before I would appreciate all the help I can get from experienced members to help teach members at the State September Meeting.

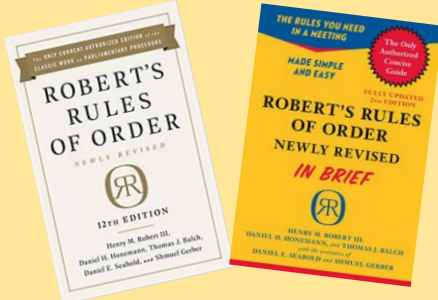

Dear Kansas Daughters:

Thank you so much for all you and the DAR have done for our Service members here in Kansas. We really appreciate the support and I know the service members liked the Paracord bracelets. One thing that we will have need of this year is Single Soldier kit supplies (travel size shampoo, soap, conditioner, deodorant toothbrush, toothpaste, etc. as well as small snacks.) We have approx. 3,000 Service members who are deploying overseas for a training rotation and returning in late September and October. We give the Single soldier kits as they return home to ensure that they have what they may need to get by for a couple of days in case their bags do not make it at the same time (happens quite a bit). Any items that we can gather before hand to put in the bags is a great help in providing this opportunity. If your group would like to assist us with a project like this, it would be great. Additionally, as we still have soldiers that have to Quarantine because of COVID, there are occasional needs for puzzle books, cards, things like that to help pass the time. Once again, thank you so much for all you have done and your willingness to do more for our Service Members.

Mark

## New SAR Chapter Formed

*Peggi Barrett*

On Saturday, Aug. 7, 2021, the Kansas SAR held a Chartering Ceremony for the new Prairie Minutemen Chapter in Ellsworth. This chapter was formed during the pandemic, and the charter event was scheduled for October 2020; however due to the pandemic it was postponed.

The new chapter has 58 members, many who have wives that are DAR members, include Pat Svaty, whose husband Ron is serving as the President of the new chapter. Several members of KSDAR attended the event, and several new DAR members have been acquired through the relationship with the SAR members of the Prairie Minutemen Chapter.

## State September Meeting Notes

The State September Meeting is a time for learning, friendship, and re-energizing ourselves while taking care of the business of the state society.

Since we have been unable to meet in person for two years, we have a lot of business and activities planned for Sept. 10 and 11. The schedule is packed, so it is important that everyone arrives on time for each meeting/program in order to stay on schedule.

Please note that breakfast will not be served either day, so you will need to make sure that you schedule time for that prior to the start of meetings each day.

Please practice patience with the hotel staff as they like many other employers continue to struggle with staffing issues and this is their first large meeting since the pandemic began.

There are a lot of Kansas Daughters that will be attending their first meeting – make sure that you help make this meeting great for them by Welcoming them Home! We look forward to seeing everyone in Junction City!

# Sol Sisters

Are you a Sol Sister? If you have risen to the challenge and shined by continuing the work of DAR even though a pandemic raged, then you too are a Sol Sister!

Daughters are resilient and work diligently to help others while focusing on Patriotism, Education, and Historic Preservation. Whether you made masks and other PPE, assisted veterans, or other community activity, you have embodied the work of the Rise and Shine Administration.

Please make sure that you are logging all of your hours into the Service to America tally on the NSDAR Members Website so that your chapter can identify all of their members' activities in preparation for completing the Chapter Master Report!

# Let's Head to Washington DC to DAR Headquarters

Kansas Day at DAR's Headquarters in Washington, D.C., will be Nov. 1, 2021!

Kansas Daughters will be travelling to Washington, D.C., Oct. 31 and returning Nov. 2, 2021, in order to tour the newly renovated Constitution Hall and visit DAR Headquarters. Several activities are being planned during this trip in which the group can participate. State Vice Regent Rebecca Kline has organized a wreath laying at the Eisenhower Monument for the Kansas Daughters.

A room block has been negotiated at the Hilton Garden Inn at 815 14<sup>th</sup> Street N.W. for the nightly rate of \$199. Hotel reservations must be made by Sept. 28, as the block closes then. Reservations can be made by following this link:

<http://hiltongardeninn.hilton.com/en/gi/groups/personalized/D/DCACHGI-DAR-20211031/index.jhtml>

Airline reservations will need to be made by each Daughter to arrive on or before October 31. More details will be coming in the near future. If interested in attending, contact KSDAR State Reporter, Kimberly Patrick at [KimAPatrick@aol.com](mailto:KimAPatrick@aol.com). Kansas Daughters know how to have a great time – and this trip will be great fun!

## Nicodemus Service Project

Approximately 50 Kansas Daughters and HODARs descended on Nicodemus, KS for a weekend of work, fellowship and laughter in honor of KSDAR's 125<sup>th</sup> Anniversary.

Painting, cleaning, organizing and picking up trash was accomplished in order to assist the National Parks Service and citizens of Nicodemus. There were many highlights of the weekend:

- Three new members of the Courtney-Spalding Chapter were formerly inducted.
- Priceless photos were found and given to the historical society.
- Park Ranger LueCreasea Horne, a fifth generation descendent of Nicodemus provided a lunch program on the town's history.

Daughters came away from the service project with a desire to continue to serve this community as the weekend provided such an uplifting feeling to all involved. KSDAR will be undertaking a genealogy project that will be presented in the near future and volunteers will be needed to assist. Stay tuned for additional information!

## DAR Dedicates Barnes Small Free Library Box

The Arthur Barrett Chapter, Daughters of the American Revolution, Marysville, and the Waterville Shakespeare Club held a dedication of the Barnes Small Free Library Box on Aug. 19, 2021. The ceremony took place at the North end of Main Street, across from the Odd Fellows Park in Barnes, KS.

Sharon Teagarden-King, Waterville, explained the history of the box. She said the idea began as a project for one of her Senior Girl Scouts. However, that girl quit the scout program before it was completed. Teagarden-King wanted to see the project completed and she enlisted the help of the Arthur Barrett Chapter members, the Shakespeare Club and her husband, Don King, who built the box. Since Barnes doesn't have a library, Teagarden-King wanted to complete the project for the good of the community. Norma Meginity, Barnes, arranged for permission to install the box at that corner on Main Street. The members of the DAR chapter, the Waterville Shakespeare Club, the Waterville Library, and the Barnes community made book donations to keep the little library stocked with both children's and adult books.

Susan Etelamaki, Marysville, read the dedication. In the dedication Etelamaki stated that the purpose of the box was to "bring joy, adventure, encourage a love of reading and to spark innovative ideas in the minds of the children and adults that came to its door." She went on to say that a library, no matter what size, represents one of the most cherished gifts that could be given to future generations. She quoted John Adams who said, "You are never alone with a poet in your pocket." She said that his statement was a clear reference to the importance of the written word. She asked for blessings and joy to always surround it.
